FURUNO'S "MASSIVE REBATE" RETURNS, GRAB UP TO \$3,600 CASH ON NAVNET 3D PURCHASES!

Camas, WA – April 23, 2009. Last year, boaters jumped at the opportunity to grab great deals on NavNet vx2 with Furuno's "Massive Rebate" program. That program was so popular, they're bringing it back for an encore performance. However, this time around, Furuno's award-winning NavNet 3D series is the star of the show!

Furuno's Massive Rebate program offers great deals whether you are new to NavNet 3D or a current 3D customer wanting to upgrade your system with Radar, Fish Finder or other sensors. For instance, a boater purchasing a dual MFDBB system, with Radar, Fish Finder, GPS, and two Monitors would be eligible for a total rebate of \$2,000! Now, that's Massive... and it's not even the maximum! Furuno customers will be eligible for Massive Rebates totaling up to \$3,600! Yes, you read that correctly... **Three Thousand, Six Hundred Dollars!** The bigger the package, the more Massive the rebate!

When you purchase any qualifying NavNet 3D product(s) between April 22, 2009 and July 31, 2009, you are eligible for the following Massive Savings from Furuno!
