## **FURUNO ANNOUNCES THE NAVNET 3D REBATE + FREEBATE EVENT**

### ***Get Cash Rewards and a FREE C-MAP by Jeppesen Chart***

If you've been waiting for the right time to purchase a new navigation system for your boat, now is the perfect time. Furuno recently announced the availability of C-MAP by Jeppesen MapMedia charts for their award-winning NavNet 3D system. Now, Furuno has created an exclusive rebate event to put both cash and a FREE C-MAP chart in your hands!

Furuno is offering great financial rebate incentives, like \$200 on their 8.4", 12.1" and Black Box Multi Function Displays (MFD). They are upping the ante with a FREE C-MAP by Jeppesen MapMedia Chart for their NavNet 3D system, valued at \$300. That's a value of \$500 in total rewards for the purchase of a NavNet 3D MFD! The benefits don't end there, Furuno is also offering generous rebates from \$100 to \$300 on a variety of NavNet 3D sensors and accessories, including DRS Radars, UHD Fish Finders, MU Monitors, and more!

The NavNet 3D Rebate + FREEbate event runs from now until July 31, 2010. For complete details on the Rebate + FREEbate event, go to their web site at [www.FurunoUSA.com](http://www.FurunoUSA.com) or visit your local Authorized Furuno Dealer. With the addition of C-MAP by Jeppesen MapMedia Charts, NavNet 3D is now the ONLY chart plotter on the market that allows you to display NOAA Raster or Vector charts, C-MAP by Jeppesen Vector Charts, Navionics Datacore Vector Charts and High-Resolution Satellite photos.
